

# A rt

This is a broad-based course exploring practical, critical and contextual work through a range of 2D and/or 3D processes and media. Art, craft and design gives you the skills and knowledge to create personal and imaginative work. You can choose to focus on a specialist area of study from a variety of exciting processes and media to suit your individual interests and abilities. This can result in degree opportunities and careers ranging from painting portraits to producing exotic fashion costumes or designing futuristic architecture. If you have an adventurous, creative and enquiring mind and are excited by shaping and determining the visual world around us, there is a career opportunity waiting for you.

## Course Outline

### AS Level

At AS you will produce a portfolio of work for component 1 which counts for 60% of your total AS marks. In component 2 you will produce personal work in response to one of five exciting starting points which will count for 40% of your total AS marks.

### A Level

At A-level for component 1 you will develop work for a personal investigation into an idea, issue, concept or theme supported by written material. This will count for 60% of your total A-level marks. In component 2 you will produce personal work in response to one of eight exciting starting points which will count for 40% of your total A-level marks.

AS and A-Level Art are decoupled and not studied here as a linear course.

## Career Progression

The skills you gain in are highly-transferable to lots of other subjects.

Art, craft and design is a great companion to all other subjects as creativity, imagination and problem solving skills can give you great ideas for your other subjects. Art, Craft and Design opens up a world of opportunity, giving you access to a wide variety of fields including: Architecture, Film/Video production, Product design, Web design, Graphic design, Art therapy and Engineering among others.

## Complementary Subjects
