## INTRODUCTION

*'Be kind whenever possible. It is always possible!'*

Dalai Lama

The Ark Academy Behaviour and Ethos policy creates the conditions for outstanding learning and the encouragement and development of our students into rounded citizens. With CIVITAS the cornerstone of our ethos, our students will be fully aware of their impact on society and potential to be active citizens shaping and leading their community. These aspirations are reflected through all our codes and expectations and recognised through rewards and celebrations.

## **ARK ACADEMY MISSION STATEMENT**

***Ark Academy has at its core the pursuit of highest standards possible in education. We believe in high aspirations, high motivation and high achievement for all. Through our extended curriculum and community life we seek to meet the needs of the whole person. Civitas – Citizenship – is at our core. We will build a community of civic pride and social justice in which all members are equally valued. We are committed to the service of young people and to helping them play their full part in society.***

***In light of this we aim to:***

- *Provide every student with the knowledge, skills, self belief and motivation to be successful in their learning and lives*
- *Welcome, value and respect all who come to the school*
- *Build a community based on justice and a sense of personal responsibility*
- *Provide opportunities for all to experience CIVITAS whilst developing a spirit of tolerance and understanding for all cultures, traditions and faiths*
- *Promote dialogue and co-operation with the wider community*

### ***Our Driving Principles are:***

- ***Excellence***
- ***Citizenship***
- ***Participation***
- ***Persistence***

### ***Our goal***

***Our goal is that all students should be able to access higher education and career of their choice and participate fully in our democratic society.***

## **AIMS OF WHOLE SCHOOL BEHAVIOUR POLICY**

- to reflect the values expressed in our mission statement
- to make clear the positive and constructive rules of conduct as agreed by governors, staff, parents and pupils
- to set the framework for rewarding positive and responsible behaviour
- to make explicit the procedures to be followed and sanctions applied should behaviour fall below these standards

## **THE OBJECTIVES OF THE WHOLE SCHOOL BEHAVIOUR POLICY**

- to ensure the school is a safe and supportive environment for all
- to ensure that all members of the school community are shown respect and show respect for others
- to encourage a positive approach to behaviour by good example and praise and reward for good behaviour
- to ensure that the environment, curriculum, and other factors within the Academy's control are monitored to ensure the promotion of good behaviour
- to ensure that where behaviour falls short of accepted standards, procedures are followed and sanctions are applied fairly and consistently

As a community it is essential that we recognise that this policy must apply to the behaviour of all its members and to all adults (teachers, other staff, parents/ carers and visitors) as well as to our pupils. Only by example can we teach and demand good standards of behaviour from those whose education is entrusted to us.

We also recognise that the success of the policy depends on the full support of parents. To this end **The Home/ School Agreement** has been drawn up which reflects the expectations of all ARK academies.

## THE PUPIL CODE OF CONDUCT

In the **community of Ark Academy**, I must:

- **Listen** to members of staff and follow instructions politely and calmly
- be **polite** to all I encounter: staff, visitors and fellow students and treat all people as I would wish to be treated
- **go straight to lessons**, holding doors open for others when corridors are busy
- **walk in silence** in a **single file** in corridors and stairs, keeping to the **left, without running or causing a disturbance**
- **respect** other people's privacy and family life so they are not offended by what I say or do
- **never insult, undermine or swear** at any member of staff, visitor or student
- **never rush, fight, play-fight** or engage in any other form of physical abuse on anyone at anytime
- **never touch** other people's property, and treat their belongings with respect

To show that I am an ambassador for which the Academy can be proud I will...

- **dress smartly**, in correct uniform at all times, including to and from school
- **care** for my uniform by **hanging** it up at the end of the day and keeping it clean and well pressed
- have respect for the Academy's **neighbours** and be helpful and considerate in the local community
- **be aware** of other people around me – on the streets, in shops, on buses and trains – **never shout** or behave in a way that will affect others (we **share** pavements, buses/trains)
- **speak quietly** and politely to my friends
- **offer my seat** where possible to an older person/mother with young children
- make my way to and from Ark Academy quickly and not congregate in large groups on the streets
- I understand that there will be consequences if I do not adhere to the Code of Conduct.

## REWARDS

The role of rewards in recognising and promoting Ark Academy values is a key part of developing the potential of young people by giving encouragement and praise.

Praise is a key component of good teaching and good staff/pupil relationships. **Good behaviour is also best promoted and developed by drawing attention to and rewarding well behaved and hardworking students.**

**Praise needs to be used appropriately, sincerely and linked to tangible examples of a student's strengths.** The rewards policy operates within this guiding principle. We want a positive atmosphere and so colleagues should try to issue **5 rewards for every sanction. Catch them doing the right thing, recognise it and offer positive reinforcement.** The system also links individual recognition and achievement within the house system and develops a healthy competitiveness at house level and fosters a sense of belonging.

Merits will be issued awarded according to Ark Academy's 4 core values:

<p><b><u>Civitas</u></b>            Responsibilities            Charitable work            Lining up properly            Being polite            Holding doors open            Being helpful            Thinking of others            Helping teachers with resources and layout of classroom            Looking after someone who has been hurt or who feels unwell            Following teachers' instructions</p>	<p><b><u>Persistence</u></b>            Never being late            100% attendance            Being organised            Always correct uniform            Always handing in HW on time            Sustained improvements in behaviour – decrease in concerns and detentions            No concerns or detentions            Acting on their own tasks            Drafting and re-drafting essays            Trying before asking for help            Working at something hard</p>
<p><b><u>Excellence</u></b>            High Attainment and significant progress in subjects            Excellent HW            High numbers of merits and commendations            Original ideas and great thinking and discussion            Winning competitions and sporting events            Teaching other pupils</p>	<p><b><u>Participation</u></b>            House events            Charity events            Sports teams            Music e.g. choir, orchestra            Getting involved in class discussion            Leading and organising Leading class discussions            Responsibility : – sports captain, librarian etc.</p>

**Departments will create their own examples of ways in which pupils can demonstrate each value and create a display in their classrooms.**

- Any pupil who earns 5 merits will be awarded a commendation certificate [this happens automatically on Bromcom]
- Merits are recorded in the student planner in the form of a sticker. The member of staff will sign the merit and tick the relevant core value. They will then enter this merit on Bromcom
- SLT / HOY / Heads of House can award a Silver Merit for anything above and beyond the normal merit. This will lead to a silver commendation certificate.
- Assemblies should begin positively with a shout out and these should be emailed to HOY/SLT in advance.
- Likewise the Principal will award Gold Merits for strong support for the ethos of Ark Academy, representing the Academy in some way or to pupils sent to her for special recognition (particularly for excellent academic achievement).

#### **Living the vision around the Academy (*Civitas* Merits)**

- Teachers are entitled to award a student a ***Civitas*** merit for demonstrating kindness, thoughtfulness or selflessness.
- Examples of this type of behaviour might be:
  - a) Picking up litter, maintaining the school environment
  - b) Helping another student if lost/stuck.
  - c) Helping a visitor.
  - d) Contribution to local community – voluntary work, reading at local primary school etc.

#### **Rewards and Celebration assemblies**

- At the end of each half-term there will be a Celebration assembly and at the end of term there will be two assemblies.
- Tutee of the term will be announced at each Celebration assembly
- During the week there will be a Celebration assembly for each year group, led by the Head of Year. The Principal and members of the senior team will support these assemblies and the handing out of certificates/awards
- On the last day of term there will be a rewards assembly.
- The next section of the handbook explains in more detail how rewards in Ark Academy are linked to the House system.

#### **House Awards**

The House system fosters a sense of belonging and healthy competition.

- All merits/commendations generate house points for the relevant house.
- Pupil attendance and academic achievement generates house points for the relevant house.
- Inter house competitions also generate house points and contribute to the overall house awards at the end of the year.

## **Rewards programme and House points**

The following points system applies to all Major House Competitions:

1. For Major House Competition:

**1st Place** 1000 points

**2nd place** 500 points

**3rd Place** 250 points

**4th place** 100 points

2. For Minor House Competition:

**1st Place** 500 points

**2nd place** 250 points

**3rd Place** 150 points

**4th place** 50 points

Should more than one House entry for a competition be fantastic, the house can only earn one rank / one set of points - in other words you can never clean up and come first, second and third.

3. Student awards can also earn their points for their house:

- Gold merit (awarded only by Principal or head teacher) 50 points
- Silver Merit (awarded by SLT, Heads of Year, Heads of Department and Heads of House) 30 points
- Commendation 20 points
- Civitas commendation 30 points

## PROCEDURES FOR DEALING WITH DISCIPLINARY PROBLEMS IN SECONDARY LESSONS

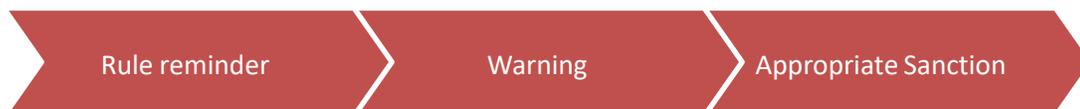

Ark Academy has a zero tolerance of any behaviour which might cause offence or harm or disrupt the learning of others. We wish to ensure that every child is safe, happy and free to learn and make progress. To ensure that this situation is secured we will sanction students who do not comply with our expectations.

In order that students comply with these expectations, our detention system is simple, fair, swift and transparent. There is a detention page in the pupil planner for recording purposes. Parents will be notified if their child is in detention an automated text.

Staff should try to ensure they use the '**champion teacher techniques**' outlined in the behaviour policy to try and secure 100% compliance from pupils.

The central principles of managing pupil behaviour is that it be done with a firm, calm finesse. This can be achieved where we follow these guidelines:

1. Use non-verbal techniques e.g. fingers on lips, arms folded or bouncing ball to indicate hands down
2. Use depersonalised commands e.g. I am waiting for just one pair of eyes or I need everyone to put their hands down and wait to be asked rather than call out answers
3. Where a pupil is persistently not meeting expectations or responding to the steps described above it may be necessary to speak to the pupil or even issue a sanction. **However, this should be done discretely and as privately as possible. We do not want to reward any poor behaviour with public attention as this is likely to increase and not end the unwanted behaviours. These discrete conversations should follow these steps:**

### General points:

- Sanctions (Detentions and Concerns) must be recorded on Bromcom and written into the planner.
- KS3 students will be expected to write a side of lines for each 15 minute detention they have. KS4 can get on with study.
- P6 Staff can remind students if they have a detention but this is only a courtesy- if not possible then it does not excuse the child from attending. Please do not display the detention list on the whiteboard or allow students to read from your teacher monitor. Students with a 90 minute logged will be collected towards the end of p6.
- Department detentions can be entered at lunch to be sat for 20 minutes at the beginning.
- Whole class detentions should not be issued as an appropriate sanction.
- Enrichment/Study support does not take precedent over detention.
- Cut off point for same day detentions is 2.45. After this you will need to write in the following day's date. If you forget/make a mistake it is your responsibility to notify the student and the HOY so that students do not sit unnecessary or escalated detentions.

Every detention should be recorded in the relevant detention page in the pupil planner and logged on Bromcom at the time the detention is issued.

**Learning disrupted by persistent low-level disruption and/or failure to follow code of conduct for lessons as outlined in the pupil planner:**

1. Rule reminder identifying the unwanted behaviour
2. Warning (name written down but preferably not in public view and planner taken)
3. If disruption persists issue a 15 minute detention in the planner and on Bromcom
4. If disruption persists – departmental relocation to another classroom in the department for the rest of that lesson
  - a) classroom teacher to give work to pupil and email Department/Staff member to notify they are expecting to receive a relocated student. Write in planner also with clear instruction of room number
  - b) classroom teacher to enter relocation on Bromcom and the detention is now set for 45 minutes.
5. Where the incident is serious i.e. aggression, violence, abusive language or refusal to leave the classroom and go to another classroom on call should be called. **Please refer to the procedure for a serious incident.**
6. If relocations are from the same subject/teacher head of department should make contact with the parents.
7. Refer to Cumulative response for procedure Academic concerns or behaviour concerns

**Defiance or rudeness to an adult or cussing another member of the class:**

Examples might be persisting in disruption after issuing a 15 minute detention, challenging the issuing of a verbal warning, talking back, being openly defiant, refusing to move when asked to change seat or cussing another member of the class:

Move straight to **departmental relocation**

- a) classroom teacher to give work to pupil and email Department/Staff/HOD member to notify they are expecting to receive a relocated student. Write in planner also with clear instruction of room number
- b) classroom teacher to enter relocation and 45 minute detention on Bromcom and write detention in planner

If the pupil refuses to leave the classroom or is violent or threatening the safety of a teacher or pupil it should be treated as a serious incident and on call should be contacted to collect the pupil and take them to the Reflection room initially. The teacher should complete an incident report and send it to the head of year.

## ANTI-BULLYING POLICY

Our Mission statement makes clear the entitlement of all in the school to be equally valued and respected and the responsibility of all to show understanding and respect for others. In the light of this, bullying in any form has no place in Ark Academy and will not be tolerated.

### General introduction

**It is very important to be clear about what is, and is not, bullying. There are many definitions and perceptions of bullying, but all recognise that bullying is sustained and takes place where there is an imbalance of power.**

**Two useful and comprehensive definitions are:**

A bully is an individual who tends to torment others either through verbal harassment or physical assaults, or through more subtle methods of coercion.

Bullying is the repeated intimidation of others by the real or threatened infliction of physical, verbal, written, electronically transmitted (cyber bullying), or emotional abuse, or through attacks on the property of another. It may include, but not be limited to, actions such as verbal taunts, name-calling and put-downs, including ethnically-based or gender-based verbal put-downs, and extortion of money or possessions.

**Cyber bullying** is bullying through the use of communication technology like mobile phone text messages, e-mails or websites. This can take many forms, for example:

- Sending threatening or abusive text messages or e-mails, personally or anonymously
- Making insulting comments about someone on a website, social networking site (e.g. Instagram) or online (blog or YouTube)
- Making or sharing derogatory or embarrassing videos of someone via mobile phone or email (such as 'Happy Slapping' videos)

**'Sexting'** is the sending and receiving of sexually inappropriate images or messages, using a mobile phone or the internet. It is illegal for children under the age of 16 to do this and will be referred to both the police and social care. An investigation will be undertaken and appropriate action taken.

It is illegal for a pupil to retain a sexually inappropriate image of another pupil and show it to other pupils. Again, this will result in a referral to the police and social care. It is likely that any pupil doing this will be excluded for a fixed period.

We have zero tolerance of bullying.

**The aims and objectives of the school in relation to bullying are to:**

- Ensure all students, teachers and parents know that bullying will not be tolerated.
- Ensure clarity and agreement about what is and is not bullying.
- Ensure whole school awareness of the rights and responsibilities of all pupils with regard to bullying.

- Involve all members of the school, staff and pupils in helping to prevent bullying and to confront it when it occurs.
- Encourage pupils to report instances of bullying.
- Ensure that all pupils, parents and staff know what preventative steps the school takes and how these are implemented.
- Ensure all pupils, staff and parents know the procedure to follow when bullying occurs.

**In dealing with bullying we aim to:**

- Eliminate the bullying itself.
- Support the victim by resolving the problem and by building up his/her self esteem and where appropriate developing strategies to avoid bullying.
- Bring the perpetrator to realise the unacceptability of his/her behaviour and the consequences should it continue.
- Investigate the cause of the bullying behaviour and where appropriate work with him/her to modify his/her behaviour.
- Reconcile the perpetrator and the victim.

**The school's response to bullying is achieved in various ways:**

**Year 7 New pupils** are given a pupil handbook on arrival which includes what to do if a student feels he/she is being bullied.

**Assemblies** are delivered by the pupils to highlight the issues. These assemblies focus on:

- Clarifying and defining what is and is not bullying, raising awareness of the difference between disputes, endings of friendships and bullying behaviour.
- Cyber bullying as part of safety.
- encouraging zero tolerance of bullying behaviour, encouraging a sense of social responsibility and the courage to speak out when necessary, and ensuring pupils know what they can do if they or someone else is being bullied.

**The School Council** will be consulted on anti-bullying policy and strategies.

Key pastoral staff will always mediate between the bully and the victim, where appropriate. The victim will be encouraged to tell the bully how the bully's actions made them feel. The bully will be given an opportunity to apologise.

We will hold an evening session for parents of new Year 7 pupils in their first half term which includes information on our policy and procedures on bullying. Bullying is explored during the year 7 induction week and details of what to do if someone is being bullied is detailed in the pupil and parent handbook.

## **Record keeping**

Incidents of bullying are recorded on Brom Com by the member of staff investigating the incidents. Serious concerns about bullying will result in the parents of the pupil being invited into school to meet with the Head of Year.

Pupils who feel they are being bullied will be asked to keep a detailed record of incidents.

## **Sanctions**

The varying nature and varying degrees of bullying require a range of responses and a range of sanctions. Anyone who bullies someone will be seen and spoken to about this by their Head of Year/ Vice Principal.

In appropriate cases, (and particularly, though not exclusively, where the perpetrators do not attend the school and the bullying occurs elsewhere), the police liaison officer is involved, to advise the victim on what steps can be taken. Where the perpetrator is part of the school he/she would stress the seriousness of the matter and the possible consequences if it were to continue.

In the cases of a first and minor incident an informal warning from a Head of Year may be sufficient. This would be recorded as a detention for bullying on Brom Com.

Where a pupil is found to persist in acts of bullying, despite warning, or demonstrate serious bullying behavior, it is necessary for the pupil to be removed from lessons and sent to Internal Exclusion (I.E.) for a fixed period and sit an after school detention. In certain circumstances, it may be necessary to recommend a fixed term exclusion to the Principal.

A fixed period exclusion might also be given even if there have not been previously recorded warnings if the seriousness of the bullying warrants it. As a last resort, or in extremely serious cases, permanent exclusion/managed move would be considered.

## RELOCATION PROCEDURES

Relocation from the classroom is designed to ensure that learning is never disrupted and that the classroom remains a calm and orderly space. The guidelines below are designed to help staff at Ark Academy know when to use the system.

There is no stigma attached to relocating a pupil and it should be seen as an integral part of The Behaviour Policy. **However, the system is not there for every minor infraction and it is essential for teachers to 'own' their own classrooms.** Please ensure that you read the champion teacher techniques for further guidance about how to secure 100% compliance in your classrooms.

### Departmental relocation - when to relocate to another classroom within your department

**1. A pupil persists in disrupting learning, after you have:**

- a) Given them a rule reminder
- b) Given them a verbal warning and written their name down/moved their seat
- c) Issued a detention

**However, where a pupil is rude or challenging when their disruption is being tackled, staff can move straight to a departmental relocation.**

**2. Rudeness to an adult or another member of the Academy (pupil).**

Examples might be:

- a) muttering something under their breath when challenged by the teacher;
- b) challenging the issuing of a verbal warning or talking back;
- c) refusing to move when relocated to another teacher within the Department or;
- d) cursing another member of the class.

### SLT on-call, relocation to LSU.

Reasons for doing this will be:

- a) refusal to leave the classroom, following departmental relocation
- b) cursing or inappropriate gestures – particularly towards an adult
- c) verbal aggressiveness towards a peer or adult;
- d) bullying or other harmful behaviour;
- e) threatening others – physical or verbal
- f) destruction of another person's or Academy property;
- g) refusing to wear the appropriate uniform;
- h) playing with fire alarms or extinguishers;
- i) vandalism;
- j) deliberate involvement in or instigation of conflict.
- k) sexually inappropriate behaviour;
- l) willful disobedience or serious disrespect to an adult.

In the case of SLT relocation, all teachers contact the member of SLT on call via email. **The classroom teacher must log the relocation on eportal as soon as possible, but by the latest the end of the day.** Where further action may be required an incident report should be completed by the class teacher and sent to the Head of Year.

## SYSTEM FOR DETENTIONS

The system for issuing detentions is simple and transparent. There are 3 types of detention in Ark Academy: 45/60 minute late detentions; central detentions (15/45/90 minutes) and Department Homework detentions for 15/30 minutes. Every detention should be recorded in the relevant detention page in the pupil planner.

### 1. Late detentions

- If a pupil arrives late after 8.25 in the morning, the pupil will sign in late and a detention will be written in their planner for that day.
- Students arriving between 8.30-8.55 will be signed in by the Student services Officer and a 45 minute detention recorded
- Students arriving after 8.55 should sign in with the Student Services Officer and will receive a 60 minute detention
- Students arriving after 9.50AM (after Period 1) will be issued a 90-minute detention.
- Students arriving late and refusing to sign in with the Student Services Officer will receive a 90 minute detention

### 2. Central detentions

- There is a daily detention from 3.45pm until 5.15pm in the main hall (2.55- 4.25 on a Friday). Pupils can accumulate detentions in one day up to the length of 90 minutes.

These detentions are written in the student planner and logged on Bromcom at the time the detention is issued. A text message is also sent home.

**Where a pupil fails to attend detention, the consequence will escalate.**
