

Principal: Delia Smith OBE

Friday 18th December 2020

Dear Parents/Carers,

January 2021

I am sure you have heard by now that there are plans to test all teachers and students on their return to school. The details of the whole process are not yet clear. However, we do know:

- All Year 11 and 13 will return as planned on **Tuesday 5th January** When they will have a test before starting school that day.
- All other year groups, 7 – 10 and 12 will remain at home for the first week whilst we await test delivery and organise the testing regime for the following week, starting on **Monday 11th January**.
- All students at home will have online lessons in line with their timetable from **Tuesday 5th January**. The sessions will begin on that day with a year assembly, when we expect all students to be logged on.
- All BTEC public exams in Year 12 and 13 will go ahead as normal in the first week of term.

As not all the arrangements are totally clear, I will email out any further information at the beginning of the first week back. Please look out for emails from school. They will also be posted on the website.

Meanwhile, I wish you all a very happy Christmas holiday and, of course, hope you stay safe and healthy.

All best wishes

Delia Smith
